

## About this organisation

### Machine translation

This organisation has been machine-translated based on data provided in German.

Ottobock develops, produces and distributes innovative products for people with limited mobility with around 8,000 employees worldwide. Its core expertise lies in orthopaedic technology - particularly in prosthetics and orthotics.

Systematic use of lightweight construction methods in the product development process

Max-Näder-Str. 15  
37115 Duderstadt  
Lower Saxony  
Germany
