Faculty of Mechanical Engineering and Mechatronics - Chair of Mechatronic Systems

### About this organisation

### **Machine translation**

This organisation has been machine-translated based on data provided in German.

Karlsruhe University of Applied Sciences (HKA) is one of the largest universities of applied sciences in Baden-Württemberg. The combination of practice-orientated application and research puts Karlsruhe University of Applied Sciences in an excellent position for application-orientated research projects with industry.

Additive manufacturing Quality Assurance Non-destructive testing 3D digitisation Computer tomography

Moltkestr. 30 76133 Karlsruhe Baden-Württemberg Germany

### Organisation type

University or higher education institution

### Sectors

No specific sector

### **Employees**

500 and more

#### **Turnover**

n/a

**Funding** 

Main areas
covered
3D quality assurance
Infrastructure

Certifications

Keywords

Memberships
