

## About this organisation

### Machine translation

This organisation has been machine-translated based on data provided in German.

Since it was founded in the 1990s, Trippen has remained true to its intention of breaking away from conventional fashion practices and going its own way in both the design and production of its shoes. Almost three decades later, Trippen still produces its unique shoes in its own factory and remains committed to the highest ecological and social standards to this day.
