## Group technology strategy and management

### About this organisation

#### Machine translation

This organisation has been machine-translated based on data provided in German.

Twelve brands from seven European countries belong to the Group: Volkswagen Passenger Cars, Audi, SEAT, ŠKODA, Bentley, Bugatti, Lamborghini, Porsche, Ducati, Volkswagen Commercial Vehicles, Scania and MAN. In addition, the Volkswagen Group offers a wide range of financial services. These include dealer and customer financing, leasing, banking and insurance business as well as fleet management.

Volkswagen AG has expertise in lightweight design for vehicles with regard to their development and corresponding manufacturing processes throughout the entire product development process via simulation, design, material substitution, etc., taking into account series size and brand allocation as well as economic efficiency and the environment.

Berliner Ring 2  
38440 Wolfsburg  
Lower Saxony  
Germany

### Overview of lightweighting expertise

#### Machine translation

This organisation has been machine-translated based on data provided in German.

Research   Development   **Manufacturing  
& Supply**

#### Offer

*Products*

*Services & consulting*

#### Field of technology

*Design & layout*

*Functional integration*

*Measuring and testing technology*

*Modelling and simulation*

*Plant construction & automation*

*Recycling technologies*

#### Manufacturing process

*Additive manufacturing*

*Coating (surface engineering)*

*Fibre composite technology*

*Forming*

*Joining*

*Material property alteration*

*Primary forming*

*Processing and separating*

*Textile technology*
