

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

Kurtz sees itself as a pure mechanical engineering company in the business fields of the particle foam industry and foundry technology. As a competent partner for complete systems, Kurtz has built up unique process expertise over decades. We also have a wide range of customised machines that are precisely tailored to customer requirements.

Frankenstraße 2  
97892 Kreuzwertheim  
Bavaria  
Germany
