

Neptun Ship Design GmbH

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

Neptun Ship Design GmbH is a German company specialising in the design and construction of state-of-the-art merchant, passenger and special ships for the international market. More than 100 employees are constantly driving design, engineering and project management for ships and offshore facilities as well as R&D. In addition to R&D, the portfolio also includes all design phases from conception to the creation of production documents.

Design, construction and load testing (numerical and experimental) of lightweight prototypes (e.g. hatch covers)
