

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

iPoint - Software & consulting for product compliance and sustainability. By digitising the lifecycles of products and supply chain relationships, as well as automating life cycle assessments, our software solutions support companies in managing compliance, risk and sustainability. This promotes the transparency that companies need to make good decisions in order to manage and develop their business.

We prepare life cycle assessments and life cycle analyses for lightweight components.

Ludwig-Erhard-Str. 58  
72760 Reutlingen  
Baden-Württemberg  
Germany
