

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

We provide our customers with everything they need for a successful product and product development. Customers who work with us benefit from the latest technologies in the areas of development, design and production. At the RWTH-CAMPUS site, research areas are further intensified and new co-operations are initiated. Our team consists of engineers, trainers, CNC specialists and service technicians.

Machining, construction, design

Grüner Winkel 3
52070 Aachen
North Rhine-Westphalia
Germany

www.ph-mechanik.de

Organisation type

Small or medium-sized enterprise

Sectors

Others: Prototypenbau

Employees

10 up to 49

Turnover

€2m - €10m

Funding

Ph MECHANICS

Production site

About this organisation

Main areas covered Lightweight evacuation chair, Thin-walled aluminium tubes, Research projects CFRP components

Infrastructure

Certifications DIN EN ISO 9001:2015

Keywords System supplier, CNC production

Memberships Invention Centre, digitalHUB

Overview of lightweighting expertise
