Broszeit GmbH, as part of the Broszeit Group, is a family-run company operating internationally in the purchase, sale and production of wood and wood products. Broszeit GmbH takes on the conception and development of innovative and high-quality solutions made of wood for customers from a wide range of industries.

In the shipbuilding sector in particular, we set standards with regard to the use of lightweight products (wall/ceiling panelling) in combination with fire protection. Our expertise and know-how is also in demand in the caravan sector.
