About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

The Bosch Group is an international technology and services company. Its activities are organised into four business sectors: Mobility Solutions, Industrial Technology, Consumer Goods, and Energy and Building Technology. In the Internet of Things (IoT), Bosch offers innovative solutions for Smart Home, Industry 4.0 and Connected Mobility, as well as expertise in sensor technology, software and services.

The Corporate Research central division pools all the necessary expertise in the Bosch Group in the field of lightweight construction with regard to bionic design development, component manufacture and material expertise in lightweight metals and plastics.

Robert-Bosch-Campus 1
71272 Renningen
Baden-Württemberg
Germany
