

Henkel AG & Co. KGaA Bopfingen

Adhesive Technologies - Furniture & Building Components

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

Henkel is active worldwide with leading innovations, brands and technologies in three business areas: Adhesive Technologies, Beauty Care and Laundry & Home Care.

The Bopfingen site is home to the development, production and marketing of industrial adhesives for the manufacture of furniture and construction elements. This is where we develop customised solutions for your lightweight components. Henkel AG & Co. KGaA is a member of the Interessengemeinschaft Leichtbau e.V. (IgeL e.V.)

Kirchheimer Straße 9
73441 Bopfingen
Baden-Württemberg
Germany
