

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

Our 700 employees are united by a passion for concrete as a building material and the desire to construct concrete buildings that fulfil the expectations of clients and architects, operators and users for a long time to come. We fully support the slogan of our industry association: Concrete - it's what you make of it that counts.

Production of fibre concretes by casting, production of carbon concrete by spraying and casting, dimensioning and design incl. optimisation, factory planning, production, approval procedures

Zeppelinstraße 15
02625 Bautzen
Saxony
Germany
www.hentschke-bau.de

Organisation type
Large enterprises

Sector
A small black icon of a building with a chimney, representing the construction sector.

Employees
500 and more

Turnover
More than €50m

Funding

Main areas covered Concrete and reinforced concrete construction, Fibre concretes, Carbon concrete, Lightweight concrete, CO2-reduced concretes

Infrastructure Precast factory, CNC shuttering centre with 3D planning, Concrete laboratory

Certifications ISO 9001, WHG

Keywords Fibre concrete, carbon concrete

Memberships DBV, C3

Overview of lightweighting expertise
