

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

The Fischer Group is a German industrial company operating worldwide in the fields of fastening technology (Fischer dowels), automotive interiors and construction toys (Fischertechnik, FischerTiP). The Fischer Group emerged from Artur Fischer GmbH & Co. KG, which was founded in 1948 in Waldachtal, Baden-Württemberg.

fischerwerke GmbH & Co. KG markets carbon fibre composite materials for the protection, repair and strengthening of existing load-bearing structures.

Klaus-Fischer-Strasse 1  
72178 Waldachtal  
Baden-Württemberg  
Germany

**Organisation type**  
Large enterprises

**Sector**  
A small black icon of a building with a chimney, representing the construction or manufacturing sector.

**Employees**  
500 and more

**Turnover**  
More than €50m

**Funding**

**Main areas covered**  
Fastening technology

**Infrastructure**

**Certifications**

**Keywords**

**Memberships**

Overview of lightweighting expertise
