Capron GmbH is a motorhome manufacturer in the ERWIN HYMER GROUP. The CARADO and SUNLIGHT motorhomes are the ideal entry-level models for mobile travelling. We produce in our factory in Neustadt i. Sa. on the edge of Saxon Switzerland near Dresden.

Capron GmbH's lightweight construction expertise includes the manufacture of exterior assemblies (side walls, roof, rear) up to 2.5 x 9 m for the caravan industry in a sandwich of aluminium/GRP (outer cover layer), solid wood frames with a polystyrene middle layer and plywood panels as the inner cover layer. The manufacture of furniture components for the caravan industry in a sandwich made of plywood (top layer on both sides) and solid wood frames with a polystyrene centre layer is also classified as lightweight construction.
