Every journey is special. That's why we at travelite offer special products that are just right for you and your journey. Designed and developed in Germany to meet your high demands. Functional and always of reliable quality. So that you have more time for the essentials: Your journey. Whether it's a long-distance trip, a city break or the daily commute to work, university or school.

travelite stands for durability, stability and functionality. But also for modern style and a top price-performance ratio. We not only work passionately towards this every day, we also live it. It has been part of our DNA since the company was founded in 1949.
