Brand Werkzeug- und Maschinenbau GmbH

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

Brand Werkzeug- und Maschinenbau GmbH was founded in 1992 and has grown into a medium-sized company. Since 1992, we have reworked several tonnes of steel for our customers and turned, milled, drilled, ground, eroded and polished it into the desired shape.

Press moulds for organic sheets Punching moulds for organic sheets Thermoforming tool Pultrusion mould Injection moulds with combined IHU injection moulding process
