

Webasto Roof & Components SE

Business Area Roof

About this organisation

Machine translation

This organisation has been machine-translated based on data provided in German.

As a global innovative system partner to the mobility industry, Webasto is one of the 100 largest suppliers to the automotive industry worldwide. In development, production and sales, the company focuses on roof systems on the one hand and on the electrification of vehicles on the other. The product range includes openable and fixed roofs, electric high-voltage heaters and batteries as well as thermal management solutions.
